Message: [1731931186] Shruti Singh: Why Linkdin is asking for card details suddenly?

<<< LinkedIn also wants some assurance that the person who is posting the job is trustworthy or not.

Because everyone knows the cases of fraud are increasing day by day.

Message: U won't believe it, but I faced all the issues: card issue, temp. Restriction, linkedin glitches and everything.
And it takes 10-12 days to recover my LinkedIn account.
But afterwards my LinkedIn account is working smoothly. There are no issues in posting the job or in anything else.

Message: Now for the debit issue.
If we are using our own application then there might be a chance of fraud but linkedin is public professional application ryt?

For the security purposes you can also go through the LinkedIn guidelines
